Please try to bring all the items listed below. If you already own any items listed below, you may bring them—
clothes do not have to be new, but should be in good condition. Some seasonal items will be difficult to find in
stores (i.e. sweatshirt for the summer class, shorts for the winter class). On Reception Day, your items will be
marked with a permanent laundry marker.

If you are taking medications, please continue to take them. Please bring all of your prescribed medications in the
original prescription bottles. If you have an inhaler and you no longer have the original prescription label, please
make sure your physical exam indicates you use an inhaler. If possible, prescriptions will need to be transferred to
Register Cliff Pharmacy in Guernsey, Wyoming.

On Reception Day (R-Day), please come dressed in a white t-shirt, sweatshirt, sweat shorts underneath your sweat
pants, white socks and your running shoes. Do not wear your civilian clothes. Please put the remainder of your
items in a sturdy plastic bag, which can be double-bagged to ensure the bag does not break and secure your liquids
in a Ziploc bag to prevent leakage on your clothing. Please do not pack your items in suitcases, duffle bags or
backpacks.
